

Northgate Gonzalez Market Announces Goal of 100% Cage-Free Eggs by 2025

Anaheim, California, May 27, 2016 - Northgate Gonzalez Market will be working toward a goal of sourcing only cage-free eggs for its store operations by the year 2025. Northgate is committed to working with our suppliers during this transition in a way that ensures eggs are readily available, safely produced, and affordably priced for all of our customers.

About Northgate Gonzalez Market
